**What you need to know about foreclosure**

Even though you have been approved for a short sale, it's important to understand that the foreclosure process may proceed at the same time. Foreclosure may continue and a sale date may be scheduled as you are actively working towards completing the short sale.

Please note, as part of the foreclosure process you may receive notices delivered by mail or see steps being taken to proceed with a foreclosure sale of your home. There isn't much time. So in order to help you, it's critical that you comply with the requirements of the short sale promptly.

Once certified funds are received and approval is final, a document releasing the mortgage will be sent to record this decision. If the property was in foreclosure, that action will stop when the terms of the approval are met.
